# OUR SERVICES

Crystal Clean Waste Disposal Service includes all materials and labor for the pickup and proper disposal of your wastes, in compliance with all local, state and Federal EPA regulations. We can supply you with DOT approved drums at each regularly scheduled service interval. At pickup, we will label each drum for shipping and provide you with all necessary documentation for your protection at no extra charge. You'll receive our written assurance that the job has been done right!

# OUR PROMISE

The Crystal Clean Certificate of Assurance provides you with peace of mind and ensures your wastes are being handled properly and responsibly by trained professionals. We promise to protect your assets and assume responsibility for the proper management of your waste.

SAFETY SERVICE SATISFACTION

Crystal Clean is a national leader in the environmental services market, providing the smart alternative. Crystal Clean operates more than 120 service branches, industrial services facilities, and waste recovery centers serving the continental United States. It's waste recovery centers include an oil re-refinery, multiple wastewater treatment and non-hazardous waste processing facilities, several antifreeze recovery centers, and a hazardous waste treatment, storage, and disposal facility. Whenever possible, Crystal Clean disposes of waste it collects in an environmentally sustainable way, recycling waste for reuse or disposing of in a waste-to-energy process.
