

Hazardous Waste Treatment, Storage, and Disposal

*RCRA Subtitle C
Permitted Landfill*

ON-SITE SERVICES

Crystal Clean's high-capacity hazardous waste treatment, storage, and disposal facility is a fully permitted RCRA Subtitle C treatment and disposal facility located in northwestern Ohio. Our facility is able to treat a wide range of hazardous wastes for safe, compliant disposal.

Waste Treatment Capabilities Include:

Waste Stabilization

RCRA Subtitle C Landfilling

Macroencapsulation

Microencapsulation

Sulfide Treatment

Size Reduction

Debris Treatment

Alternative Soil Standards

FACILITY DETAILS

Nearly 600 EPA Waste Codes Accepted

RCRA Hazardous	Inorganic Materials
Mixed RCRA/TSCA	Metal-bearing Waste
Non-hazardous	Organic Materials
Asbestos	PCB's < 50ppm

Our fully permitted TSDF has the capabilities to safely handle large capacity loads, with an on-site laboratory supporting the waste approvals process by verifying waste to ensure the proper treatment process and formulation. Then the waste is treated and prepared for disposal.

Secure RCRA Subtitle C Treatment and Disposal Facility

CERCLA Approved Active RCRA Disposal Units

150 Tons/Hour of Treatment Processing Capacity

On-Site Laboratory Providing Analytical Services

Advanced Leachate Management & Air Pollution Control Systems

Truck and Rail Deliveries Accepted Directly to Facility

Robust Safety & Compliance Program

A PARTNER YOU CAN TRUST

With Crystal Clean's expertise, you can expect a hassle-free disposal process from start to finish. Our team of experts provide turnkey waste management services to handle the entire process, supporting you each step along the way.

Crystal Clean's network of more than 120 service branches and waste treatment facilities support the operations of our TSDF, providing nationwide reach and coverage to serve single and multi-source generators and safely manage their waste streams. Our team is able to collect and transport waste to our TSDF, providing you with all the necessary documentation to ensure your environmental compliance.

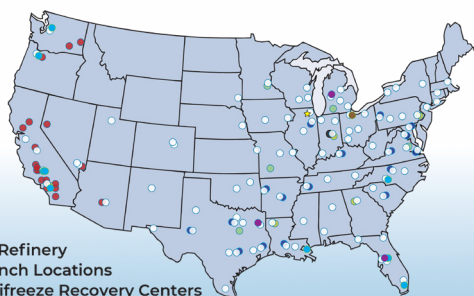

Clearly

the better choice

SAFETY SERVICE SATISFACTION

Crystal Clean is a national leader in the environmental services market, providing the smart alternative. Crystal Clean operates more than 120 service branches, industrial services facilities, and waste recovery centers serving the continental United States. It's waste recovery centers include an oil re-refinery, multiple wastewater treatment and non-hazardous waste processing facilities, several antifreeze recovery centers, and a hazardous waste treatment, storage, and disposal facility. Whenever possible, Crystal Clean disposes of waste it collects in an environmentally sustainable way, recycling waste for reuse or disposing of in a waste-to-energy process.

SAFETY COMMITMENT

Crystal Clean Sales & Service Representatives are committed to conducting services in a safe and environmentally responsible manner in order to achieve the highest levels of customer satisfaction possible.
